

ACCESS FEDERAL GOVERNMENT FUNDING \$\$ FOR YOUR BUSINESS

Let us train your employees with Government Incentives for

Cert III in Hospitality & Cert IV in Frontline Management and receive up to \$4,000 per person in Government Funding.

Your employees could be eligible for up to \$4,000 per person in Government Funding if they haven't previously completed the above qualifications. Let us assist in training your employees 'on the job' through Government Funded Training. We don't take your employees out of precious work time – we deliver training to your employees at your workplace at a time that suits your business.

Benchmark OHS Consulting would like to HELP your business in training your employees and providing pathways for career progression along with helping your business improve by up-skilling your existing workers. We can also assist with all your health & safety legislative requirements.

Call Benchmark OHS Consulting now on 1300 651 913 to see how we can assist you in taking advantage of this FANTASTIC OPPORTUNITY.

Employer Benefits:

- Cash Positive Government Incentives
- Trained staff to meet OHS Obligations
